UNI LUCE introduces brand new collection of garden bollards. Wide range of designs with absolutely unexpected forms and shapes provides special architectural touch to your project. Big selection of bollards will fit perfectly spaces around office buildings, public buildings, hotels and grand houses. In addition, different materials are available for choice, included aluminium, stainless steel, Burma teak, and natural stones. The collection comes in different colour combinations, including special terracott color finish. Any height or color finish not included in the basic ranges, could be customized to reach any project requirement.
