Flexible, subtle, elegant and powerful: these are the keywords that describe the FALDI perfectly. Despite its simple appearance, FALDI excels in light output and quality, ideal for walkway lighting or other landscape applications. FALDI is easy and flexible to use thanks to the adjustable and rotatable head, designed to provide optimal cooling and eliminate glare. FALDI is available for installation on wall or floor, to strap around a tree or to mount in soft green areas with a pin. FALDI is presented in two sizes. All FALDI lamps have zoom beam angle from 15 up to 35 degrees.
