FEBA is ideal for lighting walkways, for accentuating trees or sculptures, or for highlighting a façade or garden feature. It combines a compact cylindrical design with great agility, making FEBA a highly flexible solution with only a subtle presence. This splendid floodlight come in 3 sizes for choice. FEBA comes on a pin as standard or a pole with 500, 750 or 1000mm height. Optical accessories, lamp shade or hood, can be ordered as additional element for better light effect.
