MON is ideal for lighting walkways, for accentuating trees or sculptures, or for highlighting a façade or garden feature. It combines a compact cylindrical design with great agility, making MON a highly flexible solution with only a subtle presence. MON comes on a pin as standard and can be installed on the base or pole with 250, 500 or 750mm. Honeycomb or optical shade are available for choice to add more unique light effect to the lamp. MON comes in 6 different sizes for choice.
